**Introduction
to the
John Marshall Hall of Fame
Class of 2010**

Inductee	Presenter
Bud Millsom	Dr. Carol Millsom
Bruce James	Anastasia Elder
Quentin Scott	Quentin Scott, II Taylor Scott
Lennie Muttick Sorenson	Donna Parks Miller
Robert Ebert, Ph.D.	Dr. Lewis Sage, Ph.D.
Donald Friedl	Sandra Jamieson
Sally Caskey	Peggy Vershall
Ethel Rippon-Rowe	Betty Thomay Kerkay
Pete DeLuca	Joe DeLuca
Kenneth Nichols	Ross Bassett

Sally Caskey
Class of June 1953

At JMH, Sally's eyes were opened to the world of sports. She was influenced by Mrs. Rippon's teaching ethics and along with her love of sports participation, she wanted to follow in her path. Sally majored in Phys. Ed. and Math at Bowling Green State University. She began her teaching career at Rhodes, and while there, she earned her Masters at WRU. Her cheerleaders won the City Championship held at the Senate Championship Game. She then chaired the girls PE department at West Tech, at that time the biggest school in Ohio. She started the Warriorettes, the Tech drill team. After 7 years in CPS, she moved to CWRU as coordinator of the Phys Ed department. She taught there for 26 years. While there, she qualified for the Olympic Trials in Archery. In 1984, she was named the "National Archery Coach of the Year." The West Tech Hall of Fame inducted her in 1997 as an honored Faculty member.

Pete DeLuca
Class of June 1973, Deceased

As a lettered Varsity Wrestler for all 3 years, Pete lost only 1 match. He was the 1971 Sectional Champ, the 1972 and 1973 Senate Champ, and in 1973 was 2nd in the State. Along with the 3 letters in wrestling, he lettered twice each in football and baseball. As a student, he served as the Editorial Cartoonist for the Interpreter. At graduation, he received the prestigious Bud Millsom award, which honored the most outstanding senior. Pete attended KSU studying art and music for two years, but then his life took a different path. He became involved in helping those less fortunate—the elderly, the homeless and those mentally challenged. He worked at St. Malachi's for several years but then accepted a job at a group home in Millersburg, servicing veterans from Vietnam. He captained a team of these Veterans for 15 years, those who were disabled and mentally challenged.

Robert Ebert
Class of June 1961

While attending JMH, Robert was actively involved in choir, and the marching and concert bands. He then attended Baldwin Wallace and received his BA in 1965, his MA at Western Reserve University in 1967

and a PhD in Economics from Case Western Reserve University in 1974. He is currently the holder of the Buckhorn Chair in Economics at BW. He also acts as a Trustee & Vice Chair of the Board at Fairview/Lutheran Hospitals. He has authored three books and several professional articles, most notably on the international and domestic motor vehicle industry and the pipe organ industry.

Donald Friedl
Class of June 1950

As a student, Donald served as Editor of the Vanguard, an officer in Student Council and Drama Club, and as a member of the NHS and Key Club. To pursue his education, he attended Tulane, receiving his BA in History with an English minor in 1954. Continuing on at Columbia, he was a McKinsey scholar and received his MBA in 1958. He was named the New England Entrepreneur of the Year in 1994 and 1995. Mr. Friedl has worn many hats. He has served as Chairman, President and Chief Executive Officer of All Seasons Services, Inc.; Directors of Classic Foods, Inc. and Investors Financial Services, Inc (NASDAQ). Currently he serves as Director of Marical, Inc., a marine biotechnology company and Golden Aspen Technologies Corp., which provides Internet security services. He also acts as an advisor with several other companies.

Bruce James
Class of June 1960

Bruce attended and graduated in 1964 from Rochester Institute of Technology, School of Printing Management and Sciences. He was the founder of more than a dozen businesses, including Uniplan Corp., Electrographic Corp., Advanced Electronic Corp., and Barclay Law Publishers. In 1993, he 'retired' and moved from San Francisco to Lake Tahoe, NV to pursue community service and support technological innovation. President Bush named Bruce as the head of the Government Printing Office in 2002, where he planned to bring that office into the age of digital publishing. Having left the GPO in 2006, he was then appointed Chairman of the Sage Commission by Nevada's Governor, to overhaul and streamline state government. He is Board Chairman-Emeritus at RIT, his alma mater and the nation's largest private university.

**Al "Bud" Millsom
Faculty 1929-1954, Deceased**

"Bud" received his degree from the University of Illinois in 1922. He began his coaching career at Newman HS in Illinois. For 3 seasons, his football teams won the Okaw Valley championships. He then moved on to Bellvue, OH for a year before coming to JMH in 1929. He spent 25 years coaching at JMH with his teams winning 6 titles in Basketball, 3 in Football, 2 in Indoor/Outdoor Track, 3 in Wrestling and 3 in the Decathlon. The Millsom Award, named in Bud's honor, has been presented to the most outstanding seniors throughout the years.

**Kenneth David Nichols
(Major General)
Class of June 1924, Deceased**

He graduated from JMH at age 15 and later attended West Point, graduating 5th in his class in 1929. In 1942, he was pulled from a combat unit to work on the development of the atomic bomb. He became a Civil Engineer, earning bachelor's and master's degrees at Cornell and later a doctoral degree from the University of Iowa in hydraulic engineering. He served as an important figure in the development of the Guided Missile Technology. As the District Engineer on the Manhattan Project, he reported directly to General Leslie R. Groves, the commanding General. He later succeeded Groves as Head of the Armed Forces Special Weapons Project and was a member of the Corps of Engineers for 28 years. Kenneth also served as the general manager of the Atomic Energy Commission.

**Ethel Rippon-Rowe
Faculty, 1949-1963**

Mrs. Rippon has been an inspiration to many during her years as an educator. In 1941, Mrs. Rippon received her BA in Health, Physical Education and Recreation from Kent State. An MA in Education was received from Western Reserve University in 1954. She taught Phys. Ed.

at West High from 1941-1942 and 1945-1949 and John Marshall from 1949-1963. From 1969-1983, she was the first Phys. Ed. teacher at a grade school in Florida. She helped start the girls Cheerleaders and Drill Teams. She had coached several of the girls basketball teams to Regional Championships. In later years, she mentored the student council, initiated successful honor study halls, and established the Oasis. In 1942 and 1943, she served as 2nd Lt., WAAC & WAC.

Quentin Scott
Class of June 1986

Quentin participated in the Pre-Engineering Society, the gym leaders and in several sports—lettering 3 times in track and field, lettering once in football, and cross country while at JMH. He attended Fisk University receiving his Bachelor's in Biology and Master's in Physiology. His PhD in Physiology with a concentration in Neuroscience was received at Meharry Medical College in Tennessee. He served as a professor of anatomy and physiology at Jefferson State Community College in Alabama from 1999-2003. He is currently a scientist in the Regulatory Affairs group of the Life Sciences Operation Division at Science Applications International Corporation.

Lennie (Muttick) Sorenson
Class of June 1965

As a student, Lennie was involved in band, orchestra, and the debate team. She also was a cheerleader and member of NHS. After graduation, Lennie went to the University of Hawaii to study marine biology and also became a scuba instructor. She soon took to the skies and became a jet pilot. In February 1978, she was a Flight Engineer on a DC-10 for Continental. She has since captained on a DC-10, a Boeing 727, and she became the first woman Boeing 747 Captain for a major carrier. Lennie has even soloed the Pacific Ocean in a single engine Cessna, from California to Australia.
