Volume 47
Number 1
Spring 2020

From the President's desk:

Many thanks to all for the donations we received this past year. We acquired some very generous amounts in our endowment and general fund.

I would also like to thank everyone who donated to and participated in the Memorabilia Market held in June 2019 and the Christmas Sale in December. Many Alumni attended, reminisced and purchased everything from sports programs to wine glasses. We hope to repeat this again. Check our website and Facebook page for future information. Our need is for volunteers from the 80's and 90's to join us. There are Trustees who will soon retire, and we would like to have a full staff.

In a change of direction, the Trustees have voted to AGAIN mail the Alumni Newsletter to include all classes of the 1980's. However, there are missing addresses for the 80's. We need to update the database with current information. Please tell your family and friends to let us know of any address changes.

As you may know, JMHS has a new sport's field, supplied by the Cleveland Browns. The soccer and football teams are also using it. There is no track for the track team, as was promised by the Cleveland School Board.

The field is missing a track and lights as the Board of Education ran out of money. At this time the alumni association is looking for a way to fund an electronic board for the front of the school.

Thank you,

Ken Tischler 1/57

JMH Alumni Association Needs YOUR Help!

We **NEED** you! The Alumni Association is a volunteer organization, run by a Board of Trustees for over thirty years. We have been asking for help from the classes of the 80's, 90's and 2000's in order to continue. Some of the trustees from the 50's, 60's and 70's would like to step down. As we organize our new regime, there may be a delay in the 2021 newsletter, to allow the mentoring of a new staff.

Please consider offering your talents and join us! We meet on the first Wednesday of every month, except July, August and December. As a trustee, you need to attend at least five meetings per year. For further information, please call our hot line at 440-356-0249 or email info@jmhalumni.com. We look forward to meeting you!

John Marshall's Chess Team - Top in District!

John Marshall's chess team is top in the district and is competing for the National Title in Columbus on April 3rd.

News from the school:**John Marshall School of Civic and Business Leadership:**

CBL update: After returning from our Winter Break we began our SAY YES after-school wrap-around services. These services offer many different options that serve all interests here at Marshall. Students are able to select to participate in all programs or just one. The programs offered include Visual Arts, Theater and Recording Arts studies along with a chance to record their own work, a College and Career mentoring program to help our students plan for their futures, and a Math Forward program that allows students to continue developing their basic understandings of math using physical movement and manipulatives. We have been able to partner with local agencies such as The Center for Arts

Inspired Learning to offer these services after-school everyday offering a safe space for our students to continue to learn and express themselves even after school hours. We see new student interest in these programs everyday!

CMSD Sports Legends

Over a year ago, the Cleveland Metropolitan School District began a search and collection of names of notable athletes from the Cleveland Schools. Their goal was to create a Sports Legends History Book, Documentary, Museum, and subsequent celebrations of Athletic Excellence. Hundreds of names were submitted; photos and information are being compiled, and sponsorships are being collected.

To assist with making these plans come to fruition, the Inaugural CMSD Sports Legends Gala was held on November 18, 2019. Over 50 names from John Marshall have been submitted.

JMHS Athletes in attendance that evening were Jonathan Burrell 1993, (Track - JMHS Hall of Fame), Janetta Graham 1991, (All State Basketball & Current NBA Referee), Vita (Redding) Shields 1995, (Basketball - JMHS Hall of Fame), Dorian Green 1993, (Two time 400m State Champ & Big Ten Champ), Thomas Jefferson 1980, (Track & Olympic Team - JMHS Hall of Fame) and Michael Cunningham 1981, (Track).
