Volume 48
Number 1
Spring 2021

From the President's desk:

Greetings. I hope you are well and safe. 2020 was a difficult year for all of us. The Alumni Association was unable to have many meetings and no events occurred. JMHS students have not been in school since March 2020 and there were no fall sports.

We had two long time Trustees retire at the end of the year. Please read the articles about Judy Gilson, 1/70 and Darlene Welther DiCato, 6/65 on page 2. They both volunteered for everything we needed to have done and will be missed.

The May 2020 Graduation was held at Max Hayes High School. Everything had to be done outside, with all students staying in their family cars until it was their turn. They drove up to the Principal, got out of their car in their cap and gown and received their diploma, while posing for a picture before getting back in their car to drive away. There was a separate graduation ceremony for each of the three schools that day. (see pictures)

We do have some good news! There were three Alumni who contributed towards an Electronic Message Board, which has been mounted on the north side of the school. (see picture) Albert Tischer 1/64 was the largest contributor, paying for two thirds of the sign and he also did the research for the best supplier to use. Too bad that the message board has only been used once so far. With no students and very few teachers at the school, there is no need for announcements at this time. We look forward to an end to the Covid-19 pandemic restrictions and a time when the neighborhood will benefit from the message board.

There are more than 17,000 JMHS Newsletters that go out every year! Thank you to everyone who helps support the Alumni Association as we look forward to a better 2021.

Thank you,

Ken Tischler 1/57

Congratulations!

2020 Graduates receiving their diplomas during the outdoor celebration. Congratulations Graduates!

2020 was certainly a year no one ever expected. Most of the events mentioned in the Spring 2020 Newsletter never happened due to Covid-19 restrictions. The Chess Team did not attend the National Title Competition in Columbus. JMHS was shut down and students had to learn virtually. There were no sports activities and Class Reunions were put on hold. Zoom meetings became the norm to keep in touch!

The May 2020 graduation was held outdoors at Max Hayes High School. At the time of this printing, we still do not know when events will be allowed and encourage you to keep in touch with your individual classes to see if any future gatherings are planned. Also check out our Website www.jmhalumni.com for updates.

OUR BEST FUNDRAISER:

In this issue, we added a return envelope to encourage donations to The John Marshall Alumni Association. This year we are asking for just **\$1.00** from everyone who enjoys reading about their High School.

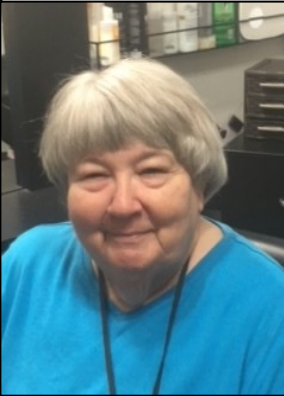

Newsletters go out once a year, free to all alumni who keep their information current.

Would you consider sending something? (continued page 7)

Two of our Best!

The Alumni Association would like to Thank **Judy Gilson 1/70** and **Darlene Welther DiCato 6/65** for their many years of service as Trustees. Both have decided to step down to pursue other interests.

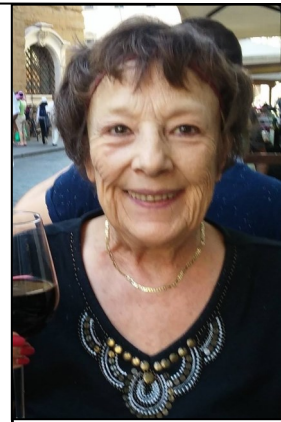

Judy served for over twenty years and was devoted to her work, taking on many duties throughout her time with us. She has

been the school liaison for many years, connecting with the staff and students to keep us informed of school activities. For many years, she was the editor of JMH Newsletter and was instrumental

in keeping the database current, many times connecting with alum on Facebook to get updates. Class reunions invited Judy to their events so she could sell JMH Merchandise and there were many graduations that she attended, encouraging the graduates to stay in touch as new alumni.

Judy was well recognized at all the JMH events she volunteered for. No one worked harder than Judy in all aspects of the association.

Darlene joined the Trustees in 2007 and worked for years on database updates, adding in the new class lists every year,

and searching for lost classmates. She volunteered her help for every JMH Alumni event and took charge of the brick and paver sales when asked. Darlene will continue to contribute any new information as she receives it, to help keep the database current.

We wish her well.

The West Park Historical Society is getting ready to reprint the **1923 West Park High School Yearbook**, in time for the 100th Anniversary. By 1924, West Park had merged with Cleveland and the school's name was changed to John Marshall High School. This book is so much more than just a yearbook. It contains 104 pages, with many of those telling the story of what growing up in West Park was like 100 years ago.

If you have a love of history, John Marshall, or West Park, we are certain that you will want to have a copy of this book. We expect to be working on the publication sometime later this year. More info is on the WPHS Website, www.westparkhistory.org.

WEST PARK LINCOLN HIGH SCHOOL

Contact Elaine Staley @ 216-267-3857 for further information about joining the West Park Historical Society.

In April of 2020, **Bill Fries 6/66** and **Jeff Meredith 1/67** presented the West Park Historical Society with a framed jacket that belonged to **Alfred "Skip" Lantz 1/58** and the Paddle from the JMHS Knights Group that was popular in the 50's through 60's.

This group of students was like a high school fraternity who met quarterly and was made up of students specifically invited to become members. The group was also known as the Kappa's.
