We Want You!

Please Bring us Your Talents!

Meetings are held the **first Wednesday of each month at 7 pm**, except for July/August. They last 1-2 hours max at Bethany Lutheran Church on Triskett. We are looking forward to seeing you at our JMHA Alumni Association meetings.

All JMHA alumni/grads are needed to share their individual talents and skills to have each DECADE represented. This will ensure that we will remain the best Alumni Association in the district.

We are in need of trustees, additional help, AND fresh ideas! Many responsibilities are brief within a year, but assistance is needed throughout. Several responsibilities of the JMHA can be performed by an individual living in another state or city. Of course, internet & email access are extremely helpful!

Some positions are filled, some have recently been vacated, and yet others may soon be retiring, so a back-up person or assistant is a necessity:

- **Webmaster/ Computer Guru / Photographer**—Maintains & updates webpage; Guru to solve/assist with our computer glitches; Photographer(s) to take photographs of events, edit, and submit in higher quality for publication in news & on webpage.
- **Newsletter**—Utilize Microsoft Publisher—Familiar with graphics/publishing, capable of pulling the news together each year and coordinating with the printer—others to type, collect info/articles/pictures, compile the Final Roll Call, etc.
- **Reunion Liaison**—Contact classes/committees before and after reunions, Offer our resources in advance, (lists, labels, announcement) yet solicit updates, reports and photos of their event for database updates and newsletter reports. Schedule Reunion Seminar every 5 years.
- **Endowment**—Scholarship Selection and presentation in the spring semester.
- **Volunteer Coordinator**—For events, open houses, reunions, assistance at the school. Solicit, assign, present, thank.
- **Research**—Find info on Hall of Fame nominees. Record those with Military Service. Locate lost alumni. Verify death notices. Internet access a necessity! Enjoy the hunt?—find married names for women classmates! Have a genealogy membership to help search the next step?
- **Hall of Fame**—Research, contact, select from a pool of nominees, hold induction ceremony every 2-3 years.
- **Archivist** - Collect, inventory and preserve memorabilia. Prepare for displays at events.
- **PR-Publicity**— Prepare press releases, advertise events or merchandise, etc.
- **Statistician**—Maintain combined records of sport schedules, results, photos, records, trophies.
- **Final Roll Call**—Collect names from PD and/or online obits and maintain list for publication in spring newsletter and submit proof when found. Someone who reads each and every obit daily!
- **Merchandise Manager**—Select, purchase, maintain inventory, process orders. Have a group of people to attend events and reunions (if classes wish our representation) to promote our merchandise.

Retired from the JMHA and Moving On!

The three JMHSAA Trustees who retired in 2012/13, all held very important positions.

Mary (Johnston) Sinatra, 1/54, has been active with the Alumni Association since 1991. She has been the Database manager since 2001. Mary spent thousands of hours building up and maintaining the database. Mary also handled all contributions made to the Association and mailed out extra newsletter and book orders. She had also been the Secretary in her early years of service.

John Papay, 6/63, was the Web Page manager and set up all Alumni computer programs on all of our tech materials. John had been active since 2002. John spent many hours photographing JMHS events and putting them on the Web Page.

Joy (Ehrhardt) Brashwitz, 6/54, has been active with the JMHA since 2001. She served as Secretary and then as Merchandise Manager. It was Joy's idea to sell JMHS t-shirts, hats, jackets, sweat-shirts and knick-knacks. For years she would handle mail orders, attend reunions and various events selling our goods. Joy could also be seen driving in the July 4th Parade.

While they are no longer trustees, all three will continue to participate in Alumni events. I was always impressed with the hard work and dedication they showed to their Alma Mater.

Ken Tischler, President

Please contact us regarding your intended participation, areas of expertise, suggestions, etc., at our PO Box to the ATTN: Ken Tischler, or info@jmhalumni.com, or (440) 356-0249 Please plan to attend one of our meetings and offer your suggestions!

Principal Mr. Byron D. Hopkins with News from the School

Mr. Hopkins proudly reported that the Lady Lawyers have been making quite an impression in the sports areas. JMH has a girl's wrestling team! At the Chippewa Wrestling Tournament, Liz Caraballo placed 3rd in her division and Yilduys Colon placed 1st in hers. Shyla Terrell is on her way to the Precision Volleyball Academy in preparation for the Junior Olympics! Of course, the girls swim team won their

18th Senate Championship.

Academically, Avery Logan finished 10th at the Ohio Department of Education's FEA conference in the Impromptu Speech Competition. Mrs. Kolar and Ms. Franklin sponsored students in "Stop the Hate", a competition to create a jingle to promote the program. They won \$10,000, splitting it with the middle school. They were presented with their award on March 13, at Severance Hall. OGT test prep has been ongoing—students have been participating in after school tutoring on Mondays–Thursdays.

Throughout the community—several students are involved in an internship at the downtown Hyatt. Browns & Cavs players are regulars there—so this offers

multiple 'rewards'. PPG has been a corporate sponsor for JMH. Recently they donated paint for the Art Department. There was a blood drive at the school on March 24th.

On a more 'formal' note, a Military Ball, in collaboration with East Tech, was held on March 1st at the Ridge Manor Banquet Center.

CMSD Reps., Ken, Tischler, Ian Heisley, Senior Class Officers

Groundbreaking ceremonies took place on July 18, 2013. Much has been accomplished since that date. Extra time had to be taken to plug and then re-plug the gas well that lies under the school (it was previously vented up to the roof near the center stair well!) A special gas barrier had to be installed under the main concrete floor, just in case the well should ever leak again. This barrier is vented to the outside of the main building. The cost of this gas barrier was about \$1,000,000.00. Construction progress has been steady.

The main gym, auxiliary gym, stage, dressing room and cafeteria walls are up. The

deck has been installed over the main gym and the roof will be installed on it in the spring.

The main class room building, which runs parallel to W. 140th Street, is

well under way. The north east first floor wing is nearly finished and the second story floor will be poured soon. Bad weather had postponed the pouring of the first floor on the south wing until late February.

The majority of the heavy construction should be done by fall of 2014. You can watch the progress of JMHS on www.iconohio.com or go to our webpage at www.jmhalumni.com and click on the link there.

Despite bad weather, JMHS is still scheduled to open in August of 2015!

Our One of a Kind—Marshall Mosaic

Not all of the pieces from the Mosaic at the end of the main hall were salvaged—but most were! Naturally the blue/gray fill for the background wasn't, but most of the personalized squares we have. We may be able to recreate the Mosaic in the new building—either in the alumni hall or near the main entrance—but we're working on getting that to happen! Hopefully we can get the art classes in 2014-2015 to supply the background and some of the missing tiles, and maybe even create a few new ones to merge the old and the new! Logistically it might be impossible, but if those who created it originally are available—maybe their skills could be utilized to assist. So let us know if you worked on this fantastic piece in the early 2000's, and if you might be able to assist in it's reconfiguration!

***Check www.jmhalumni.com for Ralph Pfungsten's article about the mural from west wall of the cafeteria.

2013 Scholarship Recipients

At the JMH Senior Awards assembly last June, scholarships from the Alumni Association were awarded to the following three seniors:

Jannerys Perez - The Ohio State University

Pediatrician
\$1000/year for 2 years

While at JMH she was a member of the 9th Grade Honorary, as well as Math and Science Honorary. She received a Princeton Book Prize. Jannerys was a member of the tennis team, receiving the most valuable player award one year. She also participated in the Yearbook and Newspaper Clubs, Academic Challenge, and the John Carroll Math Competition. In her spare time she participated in the Cleveland Marathon and volunteered at a Day Care.

Riaha Bogan - Virginia State University

While at JMH, she participated in the High Tech Academy Program (11th-12th), Phi Beta Kappa Honor Society (10th-12th), and was on the Merit Roll (9th-12th). She was a member of the Lawyerettes Dance Team (a Capt for 1 year) and the Newspaper Club. In 2012, she received the All City Highstepper MVP award. Outside activities included the Notre Dame STARS Program and Red Cross Blood Donor Drive. Riaha has also served in the work force at Home Depot, Chipotle and the Cleveland Botanical Gardens.

Outside activities included Mayor Jackson's Food Drive, and University Circle United Methodist Church basketball instructor and fund raiser.

News From the School! Many personnel changes!

Retirements were plenty this year—**Mr. James Moran**, Athletic Director/Social Studies, **Mrs. Elizabeth Koger**, English, **Mrs. Rios**, Spanish, **Ms. Mimi Thomas**, Guidance, and **Mr. Kevin McKinney**, Security. This June, and next, several long time staff members from the original school will be retiring as well. Those returning to the school will continue to 'carry the torch' and there will be many with new visions. Change can and will be good!

Marshall's New Web Page

For the past 15 years or so, JMH has had a web page, some times on, sometimes off. Well, it's back on again, attached to the Cleveland Metropolitan Schools web site:

<http://www.clevelandmetroschools.org/jmhs>

It includes a calendar of events, teachers are logging on to it, and there will even be a link to the John Marshall Alumni Association! Please check there regularly to see what is going on at the school and how you might participate and support our Alma Mater.

Last fall, we briefly linked with the school to help support a fund raiser for the Senior Class to cover all of their senior expenses. Several alumni participated. Be sure to check their page to see how we can help again.

We're back! New and Improved!

Our web page sports a new look, is still being updated, and some glitches have been solved. There's still a little work to be done, but we're moving ahead with technology! **The best news of all—our E-Store will be up and running by May 1st** and we will be able to accept Pay Pal / Credit Card payments and donations! Merchandise ordering should be a breeze with an improved response time. Be sure to check it out!

Do you connect with folks on Facebook?

Check us out at: <https://www.facebook.com/groups/34559262277/> Currently 2900 JMH Alumni connect and we're growing! There's someone from the late 40's all the way to 2013! All we ask is that you keep your posts JMH related – past, present, future—no advertising, no political or cause promotion, etc. See group description before requesting to join.

Cleveland Cavaliers, Coach Brown & Family Make a Difference at JMH!

John Marshall was the recipient of a fantastic program on January 8th. Coach Brown, his wife Carolyn, and several Cavs players had the honor to open the Cavs' first high school Resource Library, housed at John Marshall. The program supplied new computers and resource materials available to our students!

Alumni In the News

On April 8, 2013, **Jim Stamper, 6/70**, attended his 41st consecutive Cleveland Indians Home Opener. You can usually catch a shot of him holding his Chief Wahoo with the muscles! We're sure he was at this year's as well!

Congratulations to former faculty member **Rick Parschen!** On June 3, 2013, he bowled 246, 299, and 300 at Brookgate Lanes, for an 845 series. And then on October 30, 2013, he had an 836 series at Buckeye Lanes.

Where are they now?

Please pardon us if we inadvertently misspell your name or location—spellcheck doesn't work on those! Sometimes it is difficult to read someone's written response, report the job or time frame correctly, edit them down to fit, and the computer magically eliminates things when we input pictures, therefore appearing grammatically incorrect. We do the best we can—we don't have the manpower to verify all info. So please, accept our apologies in advance if there is an error. We certainly don't intend to present any incorrect information.

1930's

Sadly, last year we lost **Marion (Tourt) Evans, 6/32**, just a few weeks shy of her 100th birthday. She was one of the few that we could confirm was still with us and she would respond every year or so to the newsletter. We have a special bond with her for two reasons. Her diploma adorned the office wall for many years—as one of the first graduates from the 'new' building. An interview with her also was included on the History CD and she was also featured in a West Park Historical Society newsletter.

We know we have very few left from the 30's—but we know there are some of you out there from later in the decade! Please drop us a line—we'd love to hear from you—share a memory of a day at JMHS!

Gaye (Moritz) Rule, FRND of 38, Lakewood, OH likes to stay in touch—her father was a 1938 JMHS grad! She also shared a bit of his military history: In May 1943, 2nd LT **Milton Moritz AAF, 6/38**, was a casualty when the bomber he was piloting disappeared after take-off in British Guiana. "Mike" is one of an estimated 70,000 service personnel from WWII who is still listed as MIA. His family recently placed a memorial marker at Holy Cross Cemetery on the 70th anniversary of his death.

1940's

John R Coash 1/40, Bakersfield, CA, began attending John Marshall the year it opened. There were not enough HS students to fill it at first, so they also took in junior HS students. Thus, he entered in 7th grade Jr. High and attended for six years. He doubts if there are many, if any, of his class left, as he just turned 90. (Editor's Note – as of 1/2014,

of 80 names for the 1/40 class, you are not alone – there are 13 others, but there are 19 lost – can't confirm their status, and the others have gone on to a better place.)

Lawrence J Bartelme, 1/40, North Royalton, OH, served the USA in WWII, for 38 months. He married late, at 45, had 2 boys and 1 girl. All are currently successfully employed! His wife of 46 years, Shirley, passed away in October 2012. He is 92 plus, able to walk erect and in fair health. Having seen the pictures of the new JMHS, thinks it will be a beautiful building once completed.

Jackie (Douglas) Guiot, 6/40, Indio, CA, is living in the desert in southern California. She hates cold weather, has been married a '1000' years and has a wonderful miniature schnauzer puppy named Coco.

Bridget (Basile) Fleming, 6/40, Cleveland, OH, is still living at the same address on Bennington Ave., off West 130th if someone is looking for her!

Robert M Ward 1/41, Strongsville, OH, is now living at Shurmer Place in an independent living apartment.

Clarence Quine, 6/41, Strongsville, OH

June (Martin) Chard, 6/41, Manzanita, OR, is still living on the Oregon coast—a really nice place to retire! She doesn't do much traveling, but keeps busy with the Rockaway Lyons Club. The kids stop in when they can—but would love to hear from some former classmates!!!!

Jeane (Stuprich) Furber, 6/42, Westlake, OH is still going strong! The 70th reunion was great. Just keep having fun, life is so short!

Phyllis (Boner) Bullock, 6/43, Lakewood, OH, had a mini reunion with classmates **Winifred (Varga) Johnson, Margaret (Grose) Shephard, and Marian (Baldi) Kramp** at **Margaret (Yetman) Glunt's** 90th birthday party in Avon Lake. They were also celebrating that they are "still here"!

Honor Flight

This program was brought to our attention recently—first by former Trustee **Ted Solarz**, 1/43, and then by **Thomas DeVries**, 6/44 submitting an article cut from the "West Tech Tatler".

The Honor Flight Program sends Veterans from WWII and now includes those from Korea, to Washington DC to visit the War Memorials. Vets from later wars may be included, based on their health. It is a full day of traveling to visit all the memorials and the Changing of the Guard at the Tomb of the Unknown Soldier in Arlington. It is free to the Vet, but a Guardian travels for \$250 to assist. It involves a lot of walking, but wheelchairs are provided for the Vet. There is usually a Doctor, EMT or Medic along on the trip. Danish & coffee are provided at the airport for the early departure, a wonderful buffet during the day, and box lunch on bus back to airport are also included. Usually there are 9-10 flights scheduled each year - from May-October. Details can be found at:

"Shadows of Combat", by Richard C. Geschke & Robert A. Toto

A powerhouse book filled with memories and emotions of young officers sharing their experience in Vietnam. Interwoven through the poems you get a sense of the danger they faced and how it impacted their lives. Encouraged by his son Scott, Richard began writing about his experiences in Vietnam. Collaborating with Robert, they have brought to life a critical time in US history and those affected during the Vietnam War.
