Spring 2008

From the Editor - Elaine Schultz Staley, 6/68

Ralph Pfingsten, JMH Class of 1958 and Faculty, has been proudly selling his current book, **The History of John Marshall High School**, Cleveland, Ohio. This comprehensive, informative text has 240 pages with over 600 pictures. It includes articles on faculty, music, drama, sports and, of course, the students. From 1899 into the 2000's, Ralph has captured an important part of our lives and, once again, donated all the proceeds from the book sales to the Endowment Fund. We thank him for his generosity.

Many of you have written in to express your appreciation of the fine work this book entails. Information about purchasing the book is on **page 20** of this newsletter. All proceeds from the sale of this book and **From Rockport to Westpark** benefit the endowment fund, which awards scholarships to JMH students.

In a letter written by **Jean D. Mosier** (formerly Barbara J. Hahn, 1/67), it was pointed out that her elementary school, Tom L. Johnson, located at 13111 Crossburn Avenue off West 130th was not mentioned. The school was dedicated May 12, 1955 and started as K-3rd grade but eventually included 4th grade. Children then attended Longmead Elementary School to finish their primary education. Pictured here, the building is currently being used as a facility for a Community Center. Read about other elementary and junior high schools in the John Marshall district by purchasing the book.

The Dollar Campaign was a huge success!

It's not too late to send in a contribution!

With over 18,000 active names in our data base, we asked for a donation of at least \$1.00 from everyone who receives the newsletter. We collected over \$19,000, which was a record high! Of course, not everyone turned in \$1.00, but many of you sent in more, which will continue to help us print our Spring Newsletter. **Thank you to everyone who took the time to participate in the fund raiser!** Elaine Schultz Staley 6/68

Hall of Fame Special Advance Announcement Coming in 2009

The JMH Hall of Fame Committee, along with the JMH Alumni Association will be commemorating the **Fifty Year Anniversary of the 1959 and 1960's Sports Teams, including the City Football Championships**. A tentative date for the celebration is **Friday, May 1, 2009**. The committee is working on finalizing the details for the large celebration party. Those of you that played sports or attended JMH in the late 50's and early 60's will want to attend this event. This invitation includes all Alumnus of JMH, along with the faculty and staff, both current and past. Our City Championship story was a tremendous accomplishment for a school known more for its academic achievements, than for being a football powerhouse. This was a marvelous time for **ALL** JMH sports, as we had many other great teams during this period. We also had one of the best Marching Bands in the state. It is fitting that we honor all of these people once again. Please contact the Alumni Association if you were a member of any of the 1959 or 1960 teams or use the check off box on page 23 of the newsletter, to receive further information. We would love to have you share your memories and pictures. Please plan to attend this gala event.

The Jan. and June classes of 1957 held their 50th reunion Sept. 14th, 15th and 16th in 2007. Some came from as far as Fairbanks AK and Toronto, Canada. There were 184 present at the N.Olmsted Radisson Hotel for a casual dress affair with great food, including 1200 shrimp donated by a classmate. On Sat., 220 meals were served at St. Clarence Pavilion, attractively decorated, with a disc jockey playing 50's and 60's music. The highlight of the evening was a DVD, created by Bob Kasarda of Gemini Video Productions. The photos of classmates from elementary through high school brought tears to many eyes. The breakfast on Sunday morning was attended by 75 people. Bob Timoteo submitted this information, adding that he would like to thank everyone who attended and also the reunion committee who made this their best reunion ever.

Please Help Us Update our Records!

We strive to keep our database up-to-date so that we can provide addresses to your reunion committees and keep the communication lines open with all alumni. If you have brothers, sisters, parents, friends or relatives that graduated from Marshall and they are not receiving the Alumni Newsletter, it is likely that we do not have their current address. Please help us keep our database current by letting us know where they are. One of the most difficult tasks for any reunion committee is trying to find missing classmates. It may be that they have moved or are possibly deceased. If everyone will spend a few moments to keep us informed, everyone will benefit. Reunion Committees: Please send us your class list with changes and corrections highlighted. If an alumnus has passed away, please supply a copy of the obituary and date of death if at all possible. Please include the class year if you know it; if you don't, please give us what information you have. It all helps. When you move, don't forget to let us know. You can always email us at info@jmh alumni.com or call us at (440) 356-0249. We want to hear from you!

Please remember to tell us if you move. The Post Office only forwards mail for a limited time.
