Spring 2016

## From the President's Desk.....

The New John Marshall opened on time in August 2015. Arriving students were welcomed to the first day with a greeting line outside the main entrance (called a clap in), consisting of teachers, alumni and local residents. Over 1,500 students came in that day to a school built for 1,220. Since then, the enrollment has dropped to about 1,300. The school was dedicated on Thursday September 24, 2015. The School Board and many Local and State Politicians were there. That evening, there was an open house for the neighborhood. On Saturday September 26, 2015, there was an Alumni Open House attended by about 1,500.

One thing is for sure, this is NOT the old John Marshall. Yes, they have included many reminders of the old JMHS. A lot of the exterior stonework from the old building is visible. Most Alumni thought the new school was beautiful. A number of alumni said they wished we had a school like this when we attended. I did unfortunately receive several E-mails from Alumni, telling me that they would

NEVER go through the new school, because they want to remember it as it was. I hope they reconsider.

The most popular areas of the new school with Alumni were the Alumni Hallway and the Alumni Plaza. Many Alumni sat in the plaza for quite awhile, looking at the hundreds of pavers with names of friends or teachers that are there. We will have installed dozens more pavers by this spring, and still have room for more. The Alumni Hallway is also the entrance to the main gym. The Hallway contains seven trophy cases and plaques of seventy plus JMHS Hall of Fame Inductees. Several of the old building's features are incorporated in this area. The gym is very attractive with the large IMA symbol at center court. All hallways in the school are wide and colorful. Most of the classrooms are bigger and impressive. Each room even has its own temperature control.

I hope many more of you can stop in and see the new school at any future events. The football field has been reseeded and fencing and cleanup are scheduled for completion by September 2016. As of

this printing, no new stands are scheduled. We do plan for an Alumni night at the First JMHS Home Game. Please watch our web page for details. [www.jmhalumni.com](http://www.jmhalumni.com).

Thanks to all Alumni who contributed last year. Enough funds were donated to cover our newsletter and operating funds for 2015.

## 2015 Newsletter Issues

Last year's newsletter mailing proved to be 'daunting'. There were duplicates, misprints and blanks, jammed machines and we think many of the 440—zip codes were not delivered..

So, we've made some changes this year—fewer pages and reunions being announced within the Where Are They Now section.

Also- households with multiple graduates 'living' at that residence should only be receiving one copy of the newsletter.. Please submit current address for an individual copy.

## Four Principals at the new John Marshall!

**Tiffany James**, the principal of JMH at Shuler, assumed her new position last fall as 11th and 12th Grade Principal. Seven of her 17 years of service as an educator have been with CMSD. Currently a doctoral candidate, Ms. James remains committed to strengthening the partnerships she has already nurtured in the John Marshall community. She has provided some continuity for students who have now “returned” for the first time to W. 140th and for those who attended the 9th grade academy at Hawthorne. School culture is quite different - there’s a need for flexibility and dealing with class sizes. Students used to work on an 8 period day, but now work in 4 blocks a day, each at 86 minutes and on an A/B day schedule where 8 subjects are covered over 2 days for a semester.

**Sara Kidner** has brought three years of principal experience at Success Tech to the John Marshall School of Civic and Business Leadership. Previously, she designed the curriculum for the national Cristo Rey Network of Schools served locally at Saint Martin de Porres High School as its Work Study Director, training students in business internships at over 140 companies in Cleveland. You can follow her on twitter @sarakidner and visit the coffee shop her students will be opening on campus along with a student-run credit union. She is looking forward to “lots of service-learning, mentors, shadowing, and civic and business leaders helping present curriculum and career paths” during the school day. Her office will coordinate all the campus-wide community engagement and communication

**Chelsey Cook** will be coordinating students from her school to manage the website and social media for at least her school, which is the John Marshall School of Information Technology (IT). Cook previously served as STEM Magnet Coordinator for the San Antonio district. Integrating her science teaching back-

ground; she planned and implemented the Code HS program and earned recognition as not only the second largest, but among the best in the nation. The School of IT will focus on computer science: software knowledge, “basic coding for things like phone apps and websites” and “bioinformatics, where students will learn about sequencing our genome.” Snap Lab has been offered as an extra-curricular where students will work with representatives from the Cleveland Museum of Art’s west side satellite, Transformer Station, to learn about visual literacy by using photography apps. They are already partnering with NASA and Hyland Software for more enrichment and career awareness.

**Timothy Primus** has brought 10 years of experience as a Technology Coordinator and Engineering teacher to his new position as Principal of John Marshall School of Engineering. Mr. Primus previously served the Durham Public School District in

North Carolina as Assistant Principal before joining the Aspiring Principal Program at CMSD where he was assigned to New Tech East.

For the School of Engineering, students will take part in community service projects. The Engineering art teacher will be working with teachers/students from Max Hayes to create art that can be displayed throughout the district.”

### Sports Update!

For the 2015 school year trophies, were received in the following sports: COED Golf—2nd place, COED Soccer—2nd place, Girl’s Volleyball—2nd place, and Tennis—1st place! Congrats to all! So far for this year 2015-2016, the Girl’s Swim team finished 2nd in the city and the Boy’s finished 3rd.. Wrestlers Keen Nieves, Mitchell Topkins and Donald Paulton finished 2nd in their classes. This year’s foreign exchange student, Dean Salle, a sophomore, broke the 500 meter freestyle record with a time of 4 minutes 52 seconds.

On February 24, 2016, JMH hosted its first tournament basketball game—round one. The boys faced Valley Forge and for 3 quarters held the lead by 3 points. However the final score was Valley Forge 75, JMH 66. It was a good game with a fairly good crowd in attendance.

Also on that night, AD **Joe Gilbert**, presented our Super Bowl Trophy. This trophy was given to all high schools which had a graduate participate in a Super Bowl over the last 50 years. Our representative was **Tom Stincic 1/65**, who played for the Dallas Cowboys in two Super Bowls, V and winning in VI..

### Many Personnel Changes!

Last June several teachers retired, moved out of state, or were reassigned due to the new design of the educational program at John Marshall. Those retiring were: **Robert Fast**—Math teacher and JMH 78, **Dan McMillan**—Computer and JMH 72, **Andrea Longauer** and **Jeffrica Pollard**. **Brenda Petty-Brown** remarried and moved out of state. Thank you for being an integral part of the JMH community. To all and those reassigned, you ARE part of our JMH family and hopefully we will continue to hear of your adventures!

### Foreign Exchange Students at JMH

For 4 years, Anna Langley and her husband have opened their home to foreign exchange students from all over the globe. This past year they had 2 students – **Maggie** from

China and **Sophie** from Germany. The Langleys chose to move to West Park and close to John Marshall, because the school has been so welcoming and offers ‘real American high school experience. Langley is the regional coordinator for Academic Year in America (AYA) and is glad the CMSD and JMH have been willing to open their doors to the program. the exchange students get to experience America, learn a new culture, advance their English skills, and make new friends across cultures. Host families are able to choose a carefully screened student and they must provide their student, for either five or 10 months. with two meals a day and a place to sleep and study. Host families can claim a charitable tax deduction for hosting a student. AYA is sponsored by the American Institute for Foreign Study (AIFS) Foundation, founded in 1967 by the late Senator Robert F. Kennedy. To learn more, call Anna Langley at 216.376.9933 or email her at abeebye\_99@yahoo.com

### Special Group of Student Volunteers

Special thanks to the following students from **Mr. Harvey’s**, **Ms. Lahti’s** and **Ms. Dodson’s** classes for assisting in cleaning and getting the trophies ready to be placed in the cases: **Corde Barnwell**, **Terell Nichols**, **Emily Kamp**, **Duran Davis**, **Erika Russell**, **Gabrielle McDuffie**, **Kyle Martin**, **Ly Nguyen**, **William Sims Jr.**, **Lenny Santana**, **Swayne Smith**, **Libby Rabb**, **Kelly McNamara**, and **David Luong**.

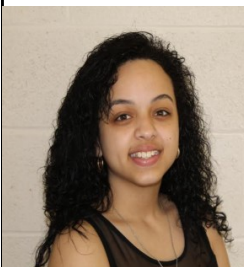

## 2015 Scholarship Recipients

At the Senior Awards Assembly in May, scholarships from the Alumni Association were awarded to five graduating seniors.

**Jordan Dunn** plans to attend the University of Akron to major in Psychology. She would eventually like to work with mentally ill patients after graduation. Jordan graduated in the upper 10% of her class with a GPA of 4.0 with studies in the Honors' Program. She was President of the senior class and a member of the softball team and the golf team. Jordan was also an active member of the Yearbook staff.

**Katlin Tennant** plans to attend Cleveland State University to major in physical health sciences. She would like to become a physical therapist. Katlin graduated third in her class with a GPA of 4.1 with studies in the Honors' Program. She was a member of the National Honor Society and the Upward Bound Program. Katlin was also a member of the cross country team and the Anime Club. She was recognized as one of the top students for excellent academic success by the Rotary Club of Cleveland in March 2015.

**Kashle Rivera** plans to attend Cleveland State University. She hopes to become a nurse upon graduation. She graduated with a GPA of 3.0 with studies in the Honors' Program. Kashle was a member of the JMH varsity tennis team and was the captain of the team during her 11<sup>th</sup> and 12<sup>th</sup> grade. She also participated in the College Now Program.

**Ceccilliah Price** graduated with a GPA of 3.4 with studies in the Honors' Program. She will attend The Ohio State University to major in Dental Hygiene. Ceccilliah was a member of the NHS at Marshall and High Tech Academy. She also was a member of the Yearbook Club. Ceccilliah attended the CHAMPS summer program at Cleveland State University.

**Tabitha Manchook** plans to attend Cuyahoga Community College to major in nursing. She hopes to eventually become a nurse in the nursery unit taking care of newborns. She graduated with a GPA of 2.5. She has been active on the Decoration Committee and other JMH senior class committees. Tabitha was also a high school cheerleader.

## Past Alumni Scholarship Winners

Please update us on your status—

what are you doing now!

## Alumni Update

### Congratulations to the 2015 Hall of Fame Inductees

L-R: **Diane (Orsagh) Grendell, Ken Kubach, Russell Wooten, Dr. Norma (Tichenor) Conner-Wall, Col. Thomas Roshetko, Bishop Elizabeth Eaton, James Grayshaw, Richard Marco, Dr. Carl Locke** Not Pictured—**Richard Orsagh, Adelbert Busha,(dec), Dudley Taw (dec)**

### Open House Raffle Winners

Congratulations to **Linda (Bohay) Cimo, 6/69** and **Louise Vertal, 1/65**. They both won the blankets with the JMH photos of 'OUR' building for making a donation. Louise donated hers back to us for another raffle. Also, a Special Thank you to Louise for donating a laptop to us in a major time of need!

### Obituary and Military Research

**Andy Mathews**, former Alumni President, has remained active with the Alumni Association. He diligently searches the obits daily. If a name sounds familiar, he confirms whether or not that person was a JMH grad, parent or family member. Much of the time he does find a connection, which helps us find other lost members. When reporting a death, please provide an obit, the link from the newspaper it was found or submit a funeral card or funeral program. By the way, we hope to have a symbol supplied to the Plain Dealer soon, so that JMH grads can have it included in the obits as West Tech and other schools have done for years.

Andy has also been compiling a list of all who have served in the military. We do have a WWII plaque for those who gave their lives during that conflict. However, no recognition has been created (yet) for those who died or were POW in Korea, Vietnam, or Iraq/Afghanistan, but we do have several names. Unfortunately we know there may be some others. Occasionally we come across one or two - but YOUR assistance would be appreciated. We would like to honor those heroes soon. Please don't forget to submit those who served and survived - we'd like their names, class year, branch, rank, assignment and any recognitions received. Submit to our **PO BOX 16678, Rocky River OH 44116 -0678** or email to **info@jmh alumni.com**.

## Where are they now?

**We do the best we can to compile and print information accurately—we just don't have the manpower to verify all info. Please accept our apologies in advance if there is an error.**

I am now training for my tenth event, a metric century ride – The Fletcher Flyer in the hills outside Asheville, NC. I know this won't be an easy task at 65, but I am as determined as ever. If you would like to donate to the cause you can go to my fundraising page: <http://pages.teamintraining.org/sfl/fletcher15/alawson>." Update I conquered 62 miles of hills in western NC. I was the third highest fund raiser for event thanks to your incredible generosity. The Team in Training cyclists raised \$284,000 for blood cancer research and patient support programs. This research found a wonderful new therapy for my rare disease – 3 pills a day. I've taken them for more than a year with miraculous results! Your willingness to give is helping all of us with blood cancers!

Alumni Events could not run smoothly without the assistance from other alumni, friends, and family. The trustees who participated in the Open House events were **Ken Tischler, Judy Gilson, Doug Smorag, Elaine (Schultz) Staley, Deborah (Quillin) Fought, Maria (DeLuca) McKee; Darlene (Welther) DiCato**, Former trustees—**Andy Mathews**; Family—**Kitty Tischler**, Deborah Fought's granddaughter (**Zahmia Glass-Galmarini**) and alumnus **Daryl Mapson (6/76)**.

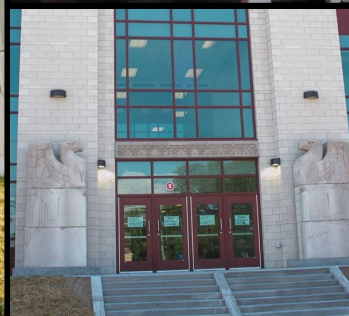

Many students who were tour guides at the school's Open House on Thursday also returned as tour guides on Saturday. The ROTC students also assisted with merchandise set up and preparation.

Additional thanks to **Pat and Jackie (Cornell) Ginley both 6/68** for typing parts of this newsletter.

## Are you a twin? Do you know who the twins were in your class?

Twins update! There are at least 85 confirmed twins. Class of 1972 has 7 and 1970 has 5 sets of twins. Not all have been identified with the remaining 70s classes, but we're sure there are more. If you can help identify other twins, please send their class year and names to [info@jmhalumni.com](mailto:info@jmhalumni.com). The list will be posted on the web page once we get the remaining identified! Thanks!

## We NEED You!

Currently the Trustees consist of grads from 1957-1984. We aren't getting any younger and therefore we need younger alums to step up to continue our organization. We would love to have representation from all DECADES

Do you have any memorabilia that you could scan and send in to add to our archives. Please join us: [info@jmhalumni.com](mailto:info@jmhalumni.com), or (440) 356-0249

LAWYERS**

**‘OUR’** John Marshall is gone, but the new JMHS will incorporate several of its architectural elements. A new feature, the Alumni Plaza, will be located on the Viola St. side, near the student entrance. Several original granite steps will provide three rows of seating, with rows of red brick pavers interspersed between them.

You can leave your mark and become a permanent part of the new school. This is a great opportunity to pay tribute to a past JMHS graduate, a teacher, yourself, or your family. Red pavers will be deeply engraved with your name and class year, with lettering painted black. Funds raised by the sale will go to the John Marshall Endowment fund, which is exclusively used for JMHS student scholarships.

### Please Help Us Update our Records!

We strive to keep our database up-to-date so that we can provide addresses to your reunion committees and keep the communication lines open with all alumni. If you have friends or relatives who graduated from Marshall please and they are not receiving our Newsletter, it's likely that we don't have their current address. Please spend a few moments to let us know of a name change and/or their location. One of the most difficult and time consuming tasks for any reunion committee is trying to find missing classmates. Please let us know when and where you move in order to keep our costs down—the Post Office charges us FIRST CLASS RATES on returns and forwards for a limited time.

You can always email us at [info@jmh alumni.com](mailto:info@jmh alumni.com) or call us at  
 (440) 356-0249. We want to hear from you!

**Mission Statement**

The John Marshall Alumni Association is a non-profit organization dedicated to supporting John Marshall High School, its faculty, students and alumni. We promote, finance, organize and participate in functions and events that contribute to the core values of education both academically and socially. We draw on our Alumni for support in these endeavors that include a Scholarship Program for graduating Seniors. Finally, we strive to maintain historical records that preserve our School's rich heritage.
